The limit of property damage liability Coverage B, stated in the Declarations as applicable to “each occurrence” is the total limit of the Company’s liability for all damages arising out of injury to or destruction of all property of one or more persons or organizations, including the loss of use thereof, as the result of any one occurrence.

Therefore, the total limit of liability under all the policies, whether provided by the Company or another insurer shall not exceed the highest applicable limit of liability under any one policy.

Financial Responsibility Laws. In the event that this policy is certified as proof of financial responsibility for the future under the provisions of the Illinois motor vehicle financial responsibility law, such insurance as is afforded by Part I of this policy for bodily injury liability or for property damage liability shall comply with the provisions of such Illinois law to the extent of the coverage and limits of liability required by such law; but in no event in excess of the limits of liability stated in the declarations page of this policy. This policy is not intended as proof under any state financial responsibility laws, other than Illinois. The terms, conditions, and exclusions as written will apply in any state where the loss may occur.

Other Insurance. If the Insured has other insurance or self insurance against a loss covered in Part I of this policy, the Company shall not be liable under this policy for a greater proportion of such loss than the applicable limit of liability under this policy bears to the total applicable limit of liability of any valid and collectible insurance and self insurance against such loss provided however, the insurance with respect to a temporary substitute or non-owned automobile shall be excess insurance over any other valid and collectible insurance or self insurance applicable to such temporary automobile or non-owned automobile. If there is other automobile medical payments insurance against a loss covered by Coverage C of Part I of this policy the Company shall not be liable under this policy for a greater proportion of such loss than the applicable limit of liability stated in the Declarations bears to the total applicable limit of liability of all valid and collectible automobile medical payments insurance; provided, however, the insurance with respect to a temporary substitute automobile or non-owned automobile shall be excess insurance over any other valid and collectible automobile or self insurance.

19. To bodily injury or property damage when the use of the automobile is criminal or while the automobile is used in the commission of a criminal act other than a traffic violation, or while used to flee and elude the police or other law enforcement or government authorities. Provided, however, this exclusion does not apply to an innocent co-insured who did not cooperate in or contribute to the creation of the

loss if the loss arose out of criminal domestic violence and the perpetrator of the loss is criminally prosecuted for the act causing the loss.

20. To any bodily injury, sickness, disease, death or other loss due to war, whether or not declared, civil war, terrorism, insurrection, rebellion or revolution, riot and civil commotion, or to any act or condition incident to any of the foregoing.

Limits of Liability.

- (a) The limit of liability for uninsured motorists coverage stated in the Declarations as applicable to “each person” is the limit of the Company’s liability for all damages, including damages for care or loss of services, because of bodily injury sustained by one person as the result of any one accident and subject to the above provision respecting each person, the limit of liability stated in the Declarations as applicable to “each Accident” is the total limit of the Company’s liability for all damages, including damages for care or loss of services, society and loss of consortium, because of bodily injury sustained by two or more persons as the result of any one accident. The limit of liability for uninsured motorist property damage shall not exceed the actual cash value to the maximum set forth on the Declarations Page.

The Company’s maximum limit of liability for all damages due to bodily injury to one person is the limit of liability as shown in the Declarations for “each person” for Underinsured Motorist Coverage less those amounts actually recovered under the applicable bodily injury insurance policies, bonds or other security maintained on the underinsured motor vehicle. Bodily injury to one person includes all injury and damages, including loss of service, society or consortium, to others resulting from this bodily injury. The Company’s maximum limit of liability for all damages due to bodily injury to two or more persons in the same accident is the limit of liability as shown in the Declarations for “each occurrence” for Underinsured Motorist Coverage, subject to the above provision respecting each person, less those amounts actually recovered under the applicable bodily injury insurance policies, bonds or other security maintained on the underinsured motor vehicle. The limits of liability are not increased because more than one person is insured at the time of the accident. Any payment otherwise due under this coverage shall be reduced by a payment for bodily injury or medical expense under any other part of this policy. If more than one policy issued by this Company provides underinsured motorist coverage for the same bodily injury, the total limit of this Company’s liability under all such policies shall not exceed the amount applicable under only one policy. In no event shall the total limit of the Company’s liability exceed the limits set forth in the Declarations, regardless of the number of vehicles insured under the policy or the separate itemization of premiums therefore and coverage under this section shall not be “stacked” with any other similar or identical coverage that may be issued under this policy, including Uninsured Motorist Coverage.

The Company shall not be obligated to make payment under the underinsured motorist coverage until the limits of liability or portion thereof under all bodily injury liability insurance policies applicable to the underinsured motor vehicle and its operators have been partially or fully exhausted by payment of judgment or settlement. A judgment or settlement of the bodily injury claim in an amount less than the limits of the bodily injury coverages applicable to the claim shall not preclude the claimant from making an underinsured motorist claim against the Underinsured Motorist Coverage.

Notwithstanding the above, if the Company and the insured or his/her legal representative agree that the insured suffered bodily injury as a result of negligent operation, use or maintenance of an underinsured motor vehicle, and without arbitration, agree also on the amount of damages that the insured is legally entitled to collect, then the maximum amount payable pursuant to such an underinsured motor vehicle insurance settlement agreement shall not exceed the amount by which the limits of the Underinsured Motorist Coverage exceed the limits of bodily injury liability insurance of the owner or operator of the underinsured motor vehicle. Any such agreement shall be final as to the amount due and shall be binding upon the insured and the Company regardless of the amount of any judgments, or any settlement reached between any insured and the person or persons responsible for this accident. No such settlement shall be concluded unless: (i) the insured has complied with all other applicable policy terms and conditions; and (ii) before the conclusion of the settlement agreement, the insured has filed suit against the underinsured motor vehicle owner or operator and has not abandoned the suit, or settled the suit without preserving the rights of the Company, provided, however, that suit against the underinsured owner and operator may be dismissed where the Company has been given notice in advance of a settlement between the insured and the underinsured motorist and the Company fails to advance a payment to the insured in an amount equal to the tentative settlement within 30 days following receipt of such notice.

- (b) Any amount payable under the terms of this Part because of bodily injury sustained in an accident by a person who is an Insured under this Part shall be reduced by:
- (1) All sums paid on account of such bodily injury by or on behalf of
 - (i) The owner or operator of the uninsured automobile and
 - (ii) Any other person or organization jointly or severally liable together with such owner or operator for such bodily injury including all sums paid under Coverage A; and,
 - (2) The amount paid and the present value of all amounts payable on account of such bodily injury under any worker compensation law or similar law, however disability benefits from Social Security shall not reduce the amount payable under this policy; and,
- (c) Any payment made under this Part to or for any insured shall be applied in reduction of the amount of damages which he may be entitled to recover from any person insured under Coverage A.
- (d) The Company shall not be obligated to pay under this coverage that part of the damages which the Insured may be entitled to recover from the owner or operator of any uninsured automobile which represents expenses for medical services paid or payable under Coverage C of Part I.
- (e) If more than one policy issued by this Company applies to Part III, the total limit of the Company’s liability under all such policies shall not exceed the amount applicable under only one policy.

- (f) It is agreed between the Insured and the Company that in no event shall the total limit of the Company's liability exceed the limits set forth in the Declarations regardless of the number of vehicles insured under the policy or the separated itemization of premium therefore; and the coverage under this section shall not be "stacked" with any other similar or identical coverage that may be issued under this policy, including Underinsured Motorist Coverage (Part III).
- (g) Uninsured Motorist Coverage does not apply nor is it applicable to any accident or loss where the Insured has Underinsured Motorist Coverage, which applies to such accident.
- (h) If coverage is provided to a motor vehicle, defined herein as an uninsured motor vehicle, under a bond or insurance policy having limits less than required by the Illinois Financial Responsibility Law, then the Company's maximum limit of liability under this Part for "each person" is the difference between the minimum limit required by the Illinois Financial Responsibility Law for injury to one person and the corresponding limit provided in such bond or insurance policy, and the Company's maximum limit of liability under this Part for "each accident" is the difference between the minimum limit required under the Illinois Financial Responsibility Law for injury to two or more persons and the corresponding limit provided in such bond or insurance policy.

Other Insurance. With respect to bodily injury to an Insured while occupying a motor vehicle or automobile not owned by the named Insured, the insurance under Part III shall apply only as excess insurance over any other similar insurance or self insurance available to such insured and applicable to such motor vehicle as primary insurance, and this insurance shall then apply only in the amount by which the limit of liability for this coverage exceeds the applicable limit of liability of such other insurance. Except as provided in the foregoing paragraph, if the Insured has other similar insurance available to him and applicable to the accident, the damages shall be deemed not to exceed the higher of the applicable limits of liability of this insurance and such other insurance, and the Company shall not be liable for a greater proportion of any loss to which this coverage applies than the limit of liability hereunder bears to the sum of the applicable limits of liability of this insurance and such other insurance.

Other Automobile Insurance in the Company. With respect to any occurrence, accident, death or loss to which this and any other automobile insurance policy issued to the named Insured by the Company also applies, the total limit of the Company's liability under all such policies shall not exceed the highest applicable limit of liability or benefit amount under any one such policy.

Arbitration of Claims under Part III – Uninsured Motorist and Underinsured Motorist Coverages J, L and K. Any dispute with respect to the coverage and the amount of damages shall be submitted for arbitration to the American Arbitration Association and shall be subject to its rules of the conduct of arbitration hearings as to all matters except medical opinions. As to medical opinions, if the amount of damages being sought is equal to or less than the amount provided for in Section 7-203 of the Illinois Motor Vehicle Code, then the current American Arbitration Association Rules shall apply. If the amount being sought in an American Arbitration Association case exceeds that amount as set forth in Section 7-203 of the Illinois Motor Vehicle Code, then the Rules of Evidence that apply in the circuit court for placing medical opinions into evidence shall govern. Alternatively, disputes with respect to damages and the coverage shall be determined in the following manner: Upon the insured requesting arbitration, each party to the dispute shall select an arbitrator and the 2 arbitrators so named shall select a third arbitrator. If such arbitrators are not selected within 45 days from such request, either party may request that the arbitration be submitted to the American Arbitration Association. In the event of the two selected arbitrators cannot agree upon a third arbitrator either party may petition any Judge in any court or record in the County and State in which the arbitration is pending to select a third arbitrator upon Notice of Motion to the other party or attorney and without the necessity of filing a law suit or serving the other party with process. Any decision made by the arbitrators shall be written and shall be binding for the amount of damages not exceeding \$50,000 for bodily injury to or death of any one person, \$100,000 for bodily injury to or death of 2 or more persons in any one motor vehicle accident, or the corresponding policy limits under this Part, whichever is less. Arbitrations before a three arbitrator panel shall be subject to the rules of evidence in Illinois courts, except to the extent the use of such rules is modified by the Illinois Insurance Code. Each party shall bear the cost of his/her own arbitrator and shall share equally the cost of the third arbitrator. All arbitration hearings under this policy shall take place in the Illinois county in which the insured resides and in accordance with the usual rules governing procedures and admissions of evidence in courts of law of that county and not in accordance with any court mandated arbitration or mediation rules. If the person demanding arbitration does not reside in Illinois, then arbitration shall take place in an Illinois county in which the Company has an office. Any person making claim here under shall answer written questions under oath when served by the Company, as well as comply with the Company's request for production of documents supporting that person's claim.

Trust Agreement. In the event of payment to any person under this Part III:

- (a) The Company shall be entitled to the extent of such payment to the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of such person against any person or organization legally responsible for the bodily injury because of which such payment is made;
- (b) Such person shall hold in trust for the benefit of the Company all right of recovery which he shall have against such other person or organization because of the damages which are the subject of claim made under this Part III;
- (c) Such person shall do whatever is proper to secure and shall do nothing after loss to prejudice such rights;
- (d) If requested in writing by the Company, such person shall take, through any representative designated by the Company, such action as may be necessary or appropriate to recover such payment as damages from such other person or organization, such action to be taken in the name of such person, in the event of a recovery, the Company shall be reimbursed out of such recovery for expenses, costs, Jury fees, and Sheriff's fees, incurred by it in connection therewith;
- (e) Such person shall execute and deliver to the Company such instruments and papers as may be appropriate to secure the rights and obligations of such person and the Company established by these provisions.

Limitation on Suits, Actions or Arbitrations. No suit, action, or arbitration proceeding for the recovery of any claim under this section shall be sustainable in any court of law or equity unless the insured, as a condition precedent to such action, has fully complied with all terms and provisions of this policy, nor unless said suit, action, or arbitration proceeding is commenced within two years of the date of accident (except under Coverage K, Underinsured Motorist) to any claim against the Company submitted more than 2 years after the date of accident or within 120 days of the entry of judgment against the underinsured whichever is later, provided the Insured protects the Company's right of subrogation.

CONDITIONS

These conditions apply to all Parts and Coverages unless otherwise noted.

1. **Policy Period.** This policy applies only to accidents, occurrences, and loss during the policy period stated in the Declarations while the automobile is within the contiguous United States of America, or Canada or is being transported between ports thereof. - or, if the policy is in a second or subsequent continuous term with the Company, then the policy will be endorsed to the correct rate effective on the inception date of the policy if the driver represented as an occasional operator was a primary operator as of the inception date of the policy or on the date an occasional operator became a primary operator, or

 - (7) that any driver named on the application or endorsement request or renewal request represented as having no license, a foreign or international or unverifiable license, is determined to have been licensed in Illinois, and correctly rating this driver would result in a higher rate class, then the policy will at the Company's option be declared null and void for all coverages and premiums paid will be returned in full or, if the policy is not declared null and void, or, if the policy is in a second or subsequent continuous term with the Company, then the policy will be endorsed to the correct rate effective on the inception date of the policy if such person was licensed in Illinois as of the inception date of the policy or on the date such person became licensed in Illinois.

The Company will be allowed to apply the additional premium by reducing any amount recoverable to the insured under the Collision, Comprehensive or Medical Payments coverage. The Company may deny coverage for an accident or loss if the Insured or an insured person have knowingly concealed or misrepresented any material fact or circumstance, or engaged in fraudulent conduct, in connection with the presentation or settlement of a claim.

For purposes of Condition 2(b), "**resident driver**" means any person who resides in the Insured's household and who at any time during the policy period uses or operates an insured vehicle, "**single**" means any person not legally married under the laws of the state of Illinois. The Illinois Religious Freedom Protection and Civil Union Act provides that parties to a civil union have the same legal obligations, responsibilities, protections and benefits as legally married persons under the law of the State of Illinois. "**Business/Artisan Use**" means use of the insured auto in a trade, profession, occupation, course of employment, job, work, or skill in a particular craft in which one is engaged. 3. **Fraud and Misrepresentation.** The statements contained in the application are deemed to be representations relied upon by the Company in issuing the policy. In the event that any representation contained in the application or in any notification of change is false, misleading or materially affects the acceptance or rating of this risk by the Company, by either direct misrepresentation, omission, concealment of facts or incorrect statements, this policy at the Company's option shall be null and void and of no benefit whatsoever from the inception date of the policy or at the Company's option, the policy will be endorsed to the correct rate effective on the effective date of change and the insured will be held liable for the applicable total premium. This paragraph shall also apply to misstatement of use, misrepresentations and omissions of fact. This policy shall not provide coverage for any insured who has made fraudulent, false, or misleading statements, or misrepresentations or engaged in fraudulent conduct in connection with any accident or loss for which coverage is sought under this policy and any person who with intent to defraud or knowingly facilitates a fraud against an insurer, submits an application or files a claim containing a misrepresentation or a false statement may be guilty of insurance fraud. The Company may void this policy or deny coverage for fraud or misrepresentation even after the occurrence of an accident or loss. This means that the Company will not be liable for any claims or damages that would otherwise be covered. If the Company is not permitted to void this policy, the Company has a right to reduce any first party claims by the amount of any additional premium owed and/or in the case of third party claims to collect additional premium owed. Any payments made by the Company as the result of the insured's fraud or misrepresentation may be recovered from the insured, or from any payments due or made to the insured under any First Party Coverage provided by this policy. This policy will not be voided after it has been in effect for one (1) year, or one (1) policy period, whichever is less.
4. **Other Automobile Insurance in the Company.** With respect to any occurrence, accident, death or loss to which this and any other automobile insurance policy issued to the named Insured by this Company also applies, the total limit of the Company's liability under all such policies shall not exceed the highest applicable limit of liability or benefit amount under any one such policy.
5. **Two or More Automobiles.** When two or more automobiles are insured hereunder, the terms of this policy shall apply separately to each, but an automobile and a trailer attached thereto shall be held to be one automobile as respects limits of liability under Part I of this policy, and separate automobiles under Part II of this policy, including any deductible provisions applicable thereto.
6. **Notice.** In the event of an accident, occurrence, or loss, written notice containing particulars sufficient to identify the Insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses and the license plate numbers of the vehicles involved, shall be given by or for the Insured to the Company

as soon as practicable but in no event in excess of 30 days after the accident. In the event of theft, a vehicle taken without permission by an unauthorized driver, vandalism, or loss caused by a hit and run vehicle as defined in Part II, the Insured or someone on his behalf shall have reported the theft, a vehicle taken without permission by an unauthorized driver, vandalism, or hit and run immediately to the police and this Company. In the event of hit and run as defined in Part III, subparagraph (b), the Insured or someone on his behalf shall report the hit and run immediately to the police of its occurrence or discovery thereof, and in any event not more than twenty-four (24) hours later and shall have filed with the Company within 30 days thereafter a statement under oath that the Insured or his legal representative has a cause or causes of action arising out of such accident for damages against a person or persons whose identity is unascertainable, and setting forth the facts in support thereof. **As a condition precedent to the Company's duty of indemnity with respect to suits against an Insured, the Insured shall cooperate with the Company and with such attorneys the Company may retain and if a claim is made or a suit is brought against the Insured, he/she shall immediately forward to the Company every demand, notice, summons or other process received by him/her or his/her representative.** The Company will not be obligated to pay, and shall not pay under Part I, unless the Company received actual notice of a lawsuit before any judgment had been entered in said suit. If, before the Company makes payment of loss under Part III, the Insured or his legal representative shall institute any legal action for bodily injury against any person or organization legally responsible for the use of an automobile involved in the accident, a copy of the summons and complaint or other process served in connection with such legal action shall be forwarded immediately to the Company by the Insured or his legal representative. Wherever this Condition limits the period within which the insured may bring suit, the running of such period is tolled from the date proof of loss is filed with the Company, in whatever form is required by this policy, until the date the claim is denied in whole or in part.

7. Assistance and Cooperation of the Insured. As a condition precedent to the Company's duty of indemnity with respect to suits against an insured, the Insured shall cooperate with the Company and, upon the Company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the Insured because of bodily injury or property damage with respect to which insurance is afforded under this policy; and the Insured shall attend depositions, hearings and trials and assist in making settlements in securing and giving evidence and obtaining the attendance of witnesses and in the conduct of any legal proceedings in connection with the subject matter of this insurance. The Insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense. This also applies to the owned automobile insured under this policy. After notice of claim under Part III, the Company may require the Insured to take such action as may be necessary or appropriate to preserve his/her right to recover damages from any person or organization alleged to be legally responsible for the bodily injury; and in any action against the Company, the Company may require the Insured to join such person or organization as party defendant. The Insured shall notify the Company of any change in his/her address during the policy period and during the pendency of any suit against the Insured covered under this policy.

8. Action Against Company –

- (a) Part I. No action shall lie against the Company unless as a condition precedent thereto, the Insured shall have fully complied with all the terms of this policy, nor shall an action lie under the Liability Coverage until the amount of the obligation to pay shall have been finally determined either by judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the Company. Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the Company as a party to any action against the Insured to determine the Insured's liability, nor shall the Company be impleaded by the Insured or his legal representative. Bankruptcy or insolvency of the Insured or of the Insured's estate shall not relieve the Company of any of its obligations hereunder.
- (b) Part II Automobile Physical Damage Coverage and Part III, Coverages J – Uninsured Motorist Coverage (Damages for Bodily Injury) and K – Uninsured Motorist Coverage. No action shall lie against the Company unless commenced within two years of the date of the accident, nor unless as a condition precedent thereof, there shall have been full compliance with all the terms and conditions of this policy, nor under Part II Automobile Physical Damage until 30 days after the amount payable has been determined by the Company.
- (c) Under Part I. C. Medical Payments Expense, if the Company and the named Insured fail to agree as to the amount payable, the reasonableness of bills, or coverage, the matter shall be submitted to arbitration. Upon the insured or the Company requesting arbitration, the insured and the Company shall each select an arbitrator and the 2 arbitrators so named shall select a third arbitrator. The three arbitrators so selected shall hear and determine the questions in dispute. Any decision made by the arbitrators shall be binding for the amount of damages not exceeding the limits stated in the declarations for medical payments.
- (d) In no event shall arbitration or appraisal be commenced against the Company more than two years after the date of accident, except only in the following circumstances:
 - (1.) **Under Part III – Uninsured Motorist Coverage**, if coverage is based on entry of a court order of rehabilitation or liquidation by reason of insolvency of an insurer, suit or arbitration shall not be commenced against the Company after the later of: two years after the date of the accident or six months after the entry of such court order or rehabilitation or liquidation by reason of insolvency; or
 - (2.) **Under Part III – Underinsured Motorist Coverage**, suit or arbitration shall not be commenced after the later of: two years after the date of accident or six months after the limits of liability or portion thereof under all bodily injury liability insurance policies applicable to the underinsured motor vehicle and its operators have been partially or fully exhausted by payment of judgment or settlement. No action shall lie against the Company under Part III unless the Insured shall have taken

such timely action as may be necessary to protect his rights against the person or organization alleged to be responsible for the bodily injury within the applicable Statute of Limitations.

- (e) Whenever this Condition 8 limits the period within which the insured may bring suit or arbitration, the running of such period is tolled from the date proof of loss is filed with the Company, in whatever form is required by the Company, until the date the claim is denied in whole or in part.

9. Medical Reports: Proof and Payment of Claim – Part I, C. and Part III. As soon as practicable, the injured person or someone on his/her behalf shall give to the Company written proof of claim for Medical Expense, under oath if required, including full particulars of the nature and extent of the injuries, treatment and other details entering into the determination of the amount payable and shall after each request from the Company execute authorization to enable the Company to obtain medical reports and copies of records and the injured person shall submit to physical examinations by physicians selected by the Company when and as often as the Company may reasonably require and he/she, or in the event of his/her incapacity, his/her legal representative, or in the event of his/her death, his/her legal representative or the person or persons entitled to sue therefor. Under the Medical Payments Expense Coverage, the Company may pay the injured person or any person or organization rendering medical services and such payment shall reduce the amount payable hereunder for such injury. Payment hereunder shall not constitute an admission of liability of any person or, except hereunder, of the Company.

10. Insured's Duties in Event of Loss – Parts I and Part II. Automobile Physical Damage. In the event of loss, the Insured shall:

- (a) Immediately report the loss to the Company, and in the event of the theft, or involvement of a phantom vehicle, vandalism, or loss caused by a hit and run vehicle the accident must also be immediately reported to the police of its occurrence or discovery thereof, and shall have filed with the Company within 30 days thereafter a statement under oath that the Insured or his legal representative has a cause or causes of action arising out of such accident for damages against a person or persons whose identity is unascertainable, and setting forth the facts in support thereof.
- (b) Protect the automobile, whether or not the loss is covered by this policy, and any further loss due to the Insured's failure to protect shall not be recoverable under this policy; reasonable expenses only incurred in affording such protection shall be deemed incurred at the Company's request.
- (c) As soon as practical but in no event in excess of thirty (30) days: 1) File with Company his/her sworn proof of loss in such form and including such information as the Company may reasonably require, and 2) Exhibit the damaged property for inspection, appraisal and approval prior to repair or disposal thereof.
- (d) Cooperate with the Company in any matter concerning a claim or suit, provide the Company with any documentation it may reasonably require and allow the Company to take signed and/or recorded statements when and as often as reasonably required and upon Company's request submit to examination under oath.
- (e) Provide access as the Company may reasonably require to the recorded data contained within the insured autos event data recorder (EDR), global positioning system (GPS) or similar device, in connection with any accident, claim or suit.

11. Appraisal – Part II. Automobile Physical Damage. If the Insured and the Company fail to agree as to the amount payable for loss under Part II, their dispute shall be determined by appraisal as described herein. The Insured and the Company shall each select a competent appraiser and the appraisers shall select a competent and disinterested umpire. The appraisers shall determine the Stated Value of the automobile as calculated under the terms of the policy and they shall state separately the actual cash value of the vehicle at the time of the accident and the amount payable to repair the damage under Part II as calculated according to the Limit of Liability under Part II, and, failing to agree, submit their differences to the umpire. An award in writing of the two appraisers or of one appraiser and the umpire shall determine the amount payable under this policy. The award shall specify the application of the deductible and no payment for diminution of value. The Insured and the Company shall each pay his/her or its chosen appraiser and shall bear equally the other expenses of the Appraisal and umpire. The Company shall not be deemed to have waived any of its rights by any act relating to Appraisal, and in no event pay more than the coverage provided. In no event shall Appraisal be instituted more than two (2) years after date of accident and in no event shall the award exceed the Limit of Liability under Part II.

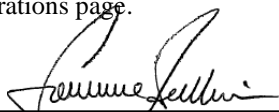

12. Payment of Loss – Part II. Automobile Physical Damage. The Company may pay for the loss in money, or may repair or replace the damaged or stolen property, or may, at any time before the loss is paid or the property is so replaced, at its expense return any stolen property to the named Insured, or at its option to the address shown in the Declarations, with payment for any resultant damage thereto; or may take all or such part of the property at the agreed or appraised value but there shall be no abandonment to the Company. The Company may settle any claim for the loss either with the Insured or the owner of the property. If the Insured or owner elects to have the automobile repaired at a facility of his/her own choosing and that facility charges more than the Company would pay for the repair at another licensed auto repair facility reasonably available, then the Company may tender the amount payable under its estimate and the Insured or owner will be responsible to pay the difference to the repair facility of his/her own choosing. If hidden or additional damage is identified, then the Company shall be given an opportunity to inspect it and to estimate the cost of such additional repair prior to the commencement of such repairs, and the Company may tender such additional amount payable pursuant to the Company's additional estimate. The Company has the right, at the Company's option, to inspect the repairs prior to making any payment for the loss.

- 13. Authorized Agents.** No person shall be deemed an agent of the Company unless such person is authorized in writing as such agent by an officer of the Company.
- 14. No Benefit to Bailee – Part II.** The insurance afforded by this policy shall not inure directly or indirectly to the benefit of any carrier or other bailee for hire liable for loss to the automobile.
- 15. Subrogation – Parts I, II, III.** In the event of any payment under Coverages A., B., C., or Non Owners of Part I or under Part II or Part III of this policy, the Company shall be subrogated to all the Insured's rights of recovery therefore against any person or organization and the Insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The Insured shall do nothing after loss to prejudice such rights. In the event of any payments under Medical Payments of this policy, the Company shall be subrogated to all the rights of recovery therefore that the insured person or anyone receiving such payment may have against any person or organization and such person shall execute and deliver instruments and papers and do whatever is necessary to secure such rights. Such person shall do nothing after loss to prejudice such rights. In the event of any payment under the Underinsured Motorist Coverage, the Company shall not exercise any right of subrogation under a policy providing additional coverage against an underinsured motorist where the Company has been provided with written notice in advance of a settlement between its insured and underinsured motorist and the Company fails to advance a payment to the insured in an amount equal to the tentative settlement, within 30 days following receipt of such notice.
- When a person has been paid by the Company under this policy and also recovers from another, the amount recovered from the other shall be held by that person in trust for the Company and reimbursed to the Company to the extent of the payment made by the Company, provided that the person to or on behalf of whom such payment is made is fully compensated for their loss. If an insured person or organization receives recovery from a responsible party without the Company's written consent, the insured person or organization's right to payment under any affected coverages of this policy will no longer exist.
- 16. Changes.** Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or stop the Company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy, signed by a duly authorized agent of the Company.
- 17. Assignment.** Assignment of interest under this policy shall not bind the Company until its consent is endorsed hereon; if, however, the Insured named in the Declarations, or his spouse if a resident of the same household, shall die, this policy shall cover (1) the survivor as named Insured, (2) his legal representative as named Insured but only while acting within the scope of his duties as such and (3) any person having proper temporary custody of an owned automobile as an Insured, until the appointment and qualification of such legal representative.
- 18. Cancellation.** This policy may be cancelled by the named Insured named in Item 1 of the Declarations by surrender thereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. This policy may be cancelled by the Company by mailing to the mortgagee or lien holder at the last mailing address known to the Company and to the insured named in the Declarations at the last mailing address known to the Company written notice stating when not less than 30 days thereafter such cancellation shall be effective, however, the Company shall not exercise its right to cancel such policy after it has been in effect for 60 days or any policy that has been renewed except for the reason set forth in Section 143:19 of the Illinois Insurance Code. No notice of cancellation of policy to which Section 143:19 applies is effective unless mailed by the Company to the mortgagee or lien holder and to the named Insured at least 30 days prior to the effective date of cancellation; however, where cancellation is for nonpayment of premiums, at least 10 days notice of cancellation is given. The mailing of notice as aforesaid on a recognized U.S. Post Office form or a form acceptable to the U.S. Post Office or other commercial mail delivery service shall be sufficient proof of notice, and a copy of such notice shall be sent to the insured's broker or the agent of record at the last mailing address known to the Company.
- In the event of the cancellation of this policy by the Company or the named Insured, earned premium shall be computed pro-rata to the date of cancellation. Any refund of the premium shall be without prejudice to any claim arising prior to the cancellation, and such refund shall be made to the broker or the agent of the named Insured by the Company within 30 days from (1) the date of the notice of cancellation by the Company, or (2) the date the Company receives the request for cancellation from the named Insured or its representatives, but payment or tender of unearned premium is not a condition of cancellation. If this policy has been cancelled and reinstatement is requested, the Company may at its sole option reinstate the policy and determine the effective date of reinstatement. Coverage under a reinstated policy shall be prospective only as of the effective date stated in the reinstatement endorsement and is not retroactive to the prior cancellation date. No coverage is provided under a reinstatement of this policy relative to any accident, loss or occurrence between a prior cancellation and the effective date of reinstatement.
- 19. Notice of Change of Conditions.** In the event any of the following changes occur during the policy period, written notice shall be given to the Company by or on behalf of the named Insured within thirty (30) days of the date of such change:
- (a) Use of the automobile as described in the application; or
 - (b) Addition of any drivers not described in the application.
 - (c) Change of Address

20. Declarations. By the acceptance of this policy, the Insured named in the Declarations agrees that the statements contained in the Application and in the Declarations and in any subsequent application have been made by him/her or on his/her behalf and that said statements and the statements of the Declarations and in any subsequent Application accepted by the Company are offered as an inducement to the Company to issue or continue this policy and that the same are his/her agreements and representations, and that this policy is issued and continued in reliance upon the truth of such statement and representations and that this policy embodies all agreements existing between himself/herself and the Company or any of its agents relating to this insurance. If this policy is subject to an exclusion of named drivers at the time of a loss, and if the loss involves the use or operation of any motor vehicle by an excluded driver, then, notwithstanding any other provision of this policy, no coverage of any kind under this policy is owing or payable by the Company to any person with respect to such loss and the Company is not obligated to defend any person in any legal action concerning the loss.

Failure to comply with any or all of the conditions above may result in the Company's refusal to extend any coverage or protection under this policy for any accident or loss.

In Witness whereof, the Company has caused this policy to be signed by its duly authorized Corporate Officers, but this policy shall not be valid unless completed by the attachment hereto of a Declarations page.
